

XF248

FROZEN BEVERAGE MACHINE

The XF248 is the premier two flavor frozen drink machine. With a simple, user-friendly design, the XF248 greatly reduces the complexities of being a machine operator. The XF248 runs consistently throughout the day, offering customers a refreshing product with every serving.

Features

- Self contained air cooled countertop model
- Illuminated backlit graphics
- Two flavors in compact footprint
- 115v, 20amp service
- Mix low indicator light prompts before machine runs empty
- Refrigerated hoppers maintain fresh product during slow sales periods & improve recovery time
